OBJECTIVE

Computer Science undergraduate with hands-on experience in backend development, cloud deployment, and data analytics. Proficient in SQL, Python, and AWS, with a strong focus on building scalable systems and deriving actionable insights from data. Experienced in query optimization and automating data workflows to improve efficiency. Passionate about solving real-world problems through data-driven solutions and robust backend engineering.

SKILLS

Programming:	C, Java, Python
Web:	HTML, CSS, JavaScript, ReactJS
Databases:	SQL, MongoDB
Tools & Platforms:	Git, GitHub, Linux, Docker, AWS (EC2, S3, RDS), CI/CD
Core Concepts:	OOPS, Data Structures, SDLC, Debugging, Agile Methodology
Frameworks:	SpringBoot, Django, Flask
MS Office:	Excel (Pivot Tables, VLOOKUP, Data Analysis)
Soft Skills:	Team Collaboration, Communication, Problem Solving, Time Management

PROJECTS

CI/CD for Containerized Applications (Jenkins, Docker, Nginx, Git)

- Developed an automated CI/CD pipeline using Jenkins to streamline code integration, testing, and deployment.
- Containerized the application with Docker and deployed it on Kubernetes clusters hosted on AWS for scalable and reliable operations.
- Implemented Blue-Green deployment strategy using Nginx/Kubernetes services to achieve zero-downtime releases and smooth traffic switching.
- Integrated Git-based version control with automated pipeline triggers, enabling efficient deployments and quick rollback in case of failures.
- Performed testing and debugging of deployment pipelines to identify and resolve integration issues, ensuring reliable releases.

Smart Attendance & Academic Risk Analytics System (React, Spring Boot, MongoDB, AWS)

- Developed a full-stack attendance platform with role-based access control.
- Optimized MongoDB performance using indexing and modular backend design.
- Built a Python-based analytics module to detect low-attendance risk and generate automated reports.
- Containerized using Docker and deployed on AWS EC2 with CI/CD automation.

EDUCATION

Bachelor of Technology , Computer Science Engineering KL University, Hyderabad CGPA: 8.96	2023 – 2027
Intermediate , TSBIE Board Sri Chaitanya Junior College, Hyderabad CGPA: 8.21	2021 – 2023
CBSE Kendriya Vidyalaya, Hyderabad CGPA: 8.3	2020 – 2021

CERTIFICATIONS

- [MongoDB Certified Associate DBA — Apr 2026](#)
- [Red Hat Certified Enterprise Application Developer — Apr 2025](#)
- [MongoDB Certified Associate Developer — Nov 2024](#)
- [AWS Certified Cloud Practitioner — Nov 2025](#)
